THE SENIOR CLASS
OF
FAIRFAX HIGH SCHOOL
WITH
HEART-FELT GRADITUDE
DEDICATES
THIS
1953
FARE FAC SAMPLER
TO

Ruth Somerville Royston

. . hoping that it may express the affection of all Seniors who, for the past ten years, have felt the influence of her untiring efforts in their behalf.

Howard Allen Strang

December 27, 1935

October 31, 1952

WE, your classmates, will remember you for your quiet, half-shy manner, your clean-cut features, your well-groomed appearance, your never-to-be-forgotten smile, the rich quality of your voice and your warm friendly personality which will remain with us always.

During the 1952-53 school term the staff of the Fair Facts published 12 issues of the school paper. Under the direction of Editor William Fox, they changed the format of the paper and became a modern streamlined publication.

A definite policy was decided upon and contained the following points: 1. To foster good sportsmanship and school spirit, 2. To publish a newspaper in the interest of the entire student body, 3. To stimulate good citizenship. The motto for the paper was "Service."

Awards won by the publication during the year were the National Scholastic Press First Place Honor Rating and Honor Award from the Southern Interscholastic Press Association. This latter award was the highest award received by a Fairfax County School.

Student Government . . .

The Student Government has long been one of Fairfax High School's most active and successful organizations. The Student Government enjoys such success because of its very nature, that being its inclusive membership of the entire school.

Of course the basic purpose of Student Government is the development in the student of a sense of personal and group responsibility along democratic lines.

Among the projects encourage by Student Government are: the fall luncheon for the teachers, the Welcoming committee, the Homecoming, Christmas Welfare Program, the Magazine Drive, the Honor Code Crusade, the elections of new officers and the spring clean-up.

All, in all, the Student Government has participated in such activities as concerns the best interests of the student body.

The Fairfax High School Student Bus Drivers have been organized again this year in an effort to continue and promote safety in the school transportation system. The organization has met on occasions when renewed emphasis had to be placed on a phase of the bus driving activity, and it is felt that all efforts have been successful. The organization has as it's goal the position as the safest transportation system in the State.

Juniors and Seniors are elected to the Gordon E. Smith Chapter of the National Honor Society for outstanding accomplishments in four fields: character, scholarship, leadership, and service. The aims of the society are to foster those ideals in Fairfax High School through example, inspiration, and service.

The society has charge of all religious activities, conducting weekly devotional services over the public address system, special Christmas and Easter services in the auditorium, and two induction ceremonies. Through the sale of Christmas cards money is raised to award a scholarship to college to a deserving senior. The society also acts as guides and ushers on special occasions and serves in many ways.

The Lord Fairfax Chapter of the National Junior Honor Society held two induction services this year, inducting all worthy persons. The eighth grade homerooms were visited and informed of the work of the Honor Society.

They assisted in selling Christmas cards and donated two thirds of the money to the endowment fund. Selling Easter seals to benefit crippled children was another of the society's projects.

Chapel services were conducted throughout the year and at Christmas, with the hope of impressing upon the minds of the students the real satisfaction of living up to the great honor system at Fairfax High School.

The Honor Society tried to see that a flag, an Honor Code placque, and a *Bible* were placed in each room.

The marching band began the year with a very full schedule, fulfilling 14 engagements in 12 weeks. The marching season was a very successful one with Jimmy Benham doing a superb job as Drum Major. Each home game had a new and better half-time show than the last. There was a precision and finesse in the band's performances which brought the plaudits of the students and community. The marching band season was brought to a close with the Mt. Vernon game on Thanksgiving Day.

The concert band gave the annual Christmas concert December 19. It entered the District Music Festival as a grade V band and again received a superior rating for its performance. The highlight of the year was the Fifth Anniversary Concert on April 10. The concert was preceded by a two-day clinic under the baton of Mr. Carleton Stewart of Mason City, Iowa. Mr. Stewart worked for two days with the bands and was guest conductor for the Concert. This concert was an outstanding event for the band and was a demonstration of the wonderful progress made by the students over the past five years. The band finished its year with the Spring Concert on May 22, which was a combined concert with the Elementary Concert Band under the direction of Mr. Morton Gutoff.

Our year's activities began with our traditional installation of officers service.

In October we presented our Fall Festival of Song. November found us extra busy making plans for our annual Christmas Vespers and the Snow Ball.

In December we furnished music for the Christmas chapels and presented a beautiful and impressive Sunday afternoon program of music telling the Christmas story. And who will forget getting up at five o'clock one morning to go in to town to sing carols on Jim Gibbon's Country Store? On the 20th of December the Snow Ball became a reality and in a candlelight setting many couples enjoyed dancing to Ray May's music and seeing the fourth Snow Ball Queen, Doris Russell, crowned.

In March we gave our Spring Concert with Falls Church choral groups as our guests. We joined to sing the final number which everyone agreed was a thrilling climax. Later in March we journeyed to Fredericksburg and sang in the District IV Music Festival.

One year's activities ended with singing for commencement activities.

New members in the group this year were Carol Bowers, Richard Cushnie and Mike Mason who won their places by try-outs. When Ellen McKenna left school, Betty Berezoski took her place.

The group sang for one of the teachers' workshop meetings, the Fall and Christmas Concerts, the Easter Assembly and the District IV Festival.

Early in the fall try-outs were held for vacancies in the ninette. Those who were accepted were Gloria Benham, Patty Sue Cooke, Mary Mylorie and Evelyn Dean. Later when Evelyn left school Mary Joe Payne joined the group.

The Ninette sang in the Fall, Christmas, and Spring Concerts, and for the District H teachers' meeting. On quite a snowy Sunday morning the girls were guests on "Your Junior Review" television program.

In the spring the group entered the District IV Music Festival and were invited to sing for the Fairfax Education Association, the Woman's Association of the Arlington Presbyterian Church, and the Mother-Daughter Banquet.

This year we had our largest Girls' Chorus—numbering ninety. The girls sang in the Fall, Christmas and Spring Concerts and entered the District IV Festival.

This chorus serves as a feeder group for the choir. When choir try-outs were held twenty-three of the girls successfully passed for membership for 1953-54.

The Junior Varsity Cheerleaders season highlighted by a party given for the J. V. football team on December 6. This, along with several other accomplishments, helped to make it a most successful year. As well as making up several new cheers, the girls treated the opponents cheerleaders to cokes after the games.

Besides having lots of fun, the girls did a good deal of hard practicing in hopes of securing that coveted position on the varsity squad.

The eighth grade cheerleaders were first organized this year. They owe much of their success to their sponsor Mrs. Nora Lee Watkins. She has been a cheerleader for Mary Washington College and she has passed some of her ideas on to the eighth graders.

In addition to the eleven cheerleaders there is an acrobat who performs with them at the games.

Mr. James W. Coyle
Director of Athletics

The program of athletics at Fairfax High School is considered as much a part of the educational program of the school as any other opportunity offered the students. Its purpose is a part of the great purpose of the school. Physically, it attempts to build strength, skill, efficiency, coordination, and endurance; socially, it attempts to give a true perspective of our competitive society, to give young people the opportunity to meet in competition with others, and to teach an appreciation of good sportsmanship; spiritually, it attempts to teach the great lesson of true loyalty, of love for others, and the satisfaction of team spirit.

During the last several years the student body and the faculty have striven to develop a very attractive athletic field. We feel that putting our contests in an attractive setting will help us attain our objectives more easily. A green, clean, lighted field with band music and colorful uniforms make a beautiful spectacle that inspires a feeling of good fellowship. Much has been done along this line and much remains to be done.

Our athletics offer us fun, excitement, school spirit, and an opportunity to be American in our love for good sportsmanship.

interesting work

...and you can get it!

Telephone work is interesting — and you don't need experience to get a good job after graduation!

That's one reason why so many girls head for the telephone company when they finish school. They know they'll earn good money from the start, even while they're trained, and get raises regularly.

Your high school counselor can tell you more about the many different telephone jobs — or come in and see us when you finish school!

Acknowledgment

We, the students and faculty of Fairfax High School, wish to express to the editors, the sponsor and the entire staff of the Fare Fac Sampler our gratitude and appreciation for the effort put forth in making the Eighteenth Volume of our yearbook a success, thus giving us another accomplishment to add to our advancing record of progress.

The staff would like to take this opportunity to thank Mrs. Hopper, our advisor, for her guidance and help; Mr. MacIntyre and Merin Studios for their services and cooperation in handling the photography; Mr. Penny and the staff of Brown-Morrison Co. for their efforts in producing this book; all our advertisers who have made our publication a financial success; and all other individuals who have contributed in any way to the successful completion of the 1953 edition of the FARE FAC SAMPLER.
